your
Love story

Every couple has
a love story.
Let me tell yours.

Your wedding is a unique reflection of you. That's why I love getting to know you personally — so I can tell your story beautifully. Sharing all your wedding dreams and details helps me create authentic, meaningful images that reflect the true you. Your unguarded moments. Your natural emotions. All the cherished images of your very special day.

My shooting style is quietly unobtrusive. And my images naturally reveal the expressions of love and commitment that you both share. This is my passion. The heart of what I do. And it shines through in every image.

Your wedding day will be filled with extraordinary moments — intimate, surprising and joyous. Those fleeting moments, captured creatively, are the timeless visual heirlooms that will instantly bring you back to the essence of your wedding day.

Let me tell your love story.

CHOOSING YOUR PHOTOGRAPHER

bringing your wedding memories to life

You have hundreds of wedding plans to make. Deciding who will bring your memories to life is one of your most important. When the flurry and excitement of your wedding day is over, it is beautifully captured images that help you revisit the romance, emotion and spirit of an event that passes so quickly.

So, how do you choose the best wedding photographer for you?

Choose A Photographer Who Values Your Dreams

I don't think of you as just a shot list. Instead, I invest time getting to know you and your wedding dreams. That makes all the difference. You will be more comfortable in front of my lens, and your images will have the natural, more authentic feel of true keepsakes.

View Portfolio Images From An Entire Wedding

I will capture consistent, quality images throughout your wedding day. Details matter. And the subtle nuances of your day are important. I'm happy to share entire wedding galleries with you, so you can assure yourself that the quality you expect consistently shines through in every shot.

Choose A Seasoned Professional

I'm experienced dealing with many different lighting environments and situations. Fifteen years of experience, the best equipment that can handle extreme conditions like humidity in Florida will help you feel completely confident I can capture your once in a lifetime moment. I'm committed to professional and timely response to your needs before and after the ceremony. All hallmarks of a seasoned professional. And all assurances that every special moment of your wedding is flawlessly captured.

ENGAGEMENT SESSIONS

show your loved ones how it all began

Show your loved ones how and where your love story began with your own engagement photo session.

Engagement sessions add so much to the story of who you are as a couple right now, and they're an ideal way to become more comfortable in front of my lens before your wedding day.

Your engagement session can be as simple as a stroll through your favorite park, an intimate meal at your favorite café, or even a romantic return to where he proposed — anything you can imagine to share the imagery of your personal love story.

Formal or informal, images from your engagement session are beautiful additions to your wedding album, and also make a wonderful signing book. They help to craft the whole story, and can even be used for Save-the-Date cards, Invitations or Thank You cards.

the easiest part of your wedding plans

Let's get together — I would prefer at the studio so you can see my style but we can talk on the phone, meet at your favorite coffee spot, even SKYPE — I'm flexible. We'll chat about your wedding day, confirm your date, and discuss all the fun details. I'll show you examples of beautiful custom wedding albums and other items that can become your cherished wedding day heirlooms. Together, we'll select the perfect package for your wedding.

Once we confirm the details, I'll prepare your contract. After you return your signed contract and the retainer fee, I'm officially your wedding photographer!

YOUR WEDDING TIMELINE

a smooth flow to your special day

Memorable weddings don't just happen. They take a bit of organization. To ensure a smooth flow of beautifully captured memories of your day, a timeline of wedding events will help guide your planning.

Getting Ready: The Bride & Groom — 1.5 to 2.0 hours

Plan for some additional time for photos at the salon, and if you're planning a "first look".

The Wedding Ceremony — 15 minutes to 1.5 hours

The length of your ceremony may vary widely. Afterward, allow more time for formal portraits (if planned) to allow your guests to leave the church or venue.

Formal Group & Family Portraits — 30 minutes to 1.0 hour

Formal portrait timing can vary widely depending on group size and family/group combinations.

Wedding Party & The Newlywed Couple — 1.0 to 3.0 hours

Timing can depend largely on the venue, size of the bridal party and variety of poses.

Your Reception — 2.0 to 6.0 hours

Your first dance, cutting the cake, dancing guests, friends and family sharing your joy.

Remember. Your wedding day is unique, and planning together ensures you don't miss a minute of this special time in your lives.

| DETAILS DETAILS |

something borrowed something blue

The dress. The rings. The cake. The bouquet. These, and all the other visual details of your wedding, are small but oh-so-meaningful expressions of all that is unique about you. They are the fine points that distinguish you as a couple, and form the visual texture of tender memories.

I will document them with care.

REMEMBERING YOUR DAY

meaningful connections to your wedding day

There is something about holding a photograph in your hands. It connects you physically to the feelings of a time and place that an image on a screen can't replace. That's why your wedding album is so important. It is a tangible link to your wedding day.

Digital files definitely have their place. But a beautifully crafted fine art album is a permanent heirloom you will enjoy, share and pass down — a meaningful connection to your wedding day that becomes more cherished each year.
